

## REGUALTIONS & CONDITIONS:

### Measures of security:

The swimmers will be accompanied with a pneumatic support boat. This boat will always respect the distance of security between itself and the swimmers.

It is compulsory the use of security swim buoy of and recommended the use of wetsuit. It is compulsory also have active the open water swimming licence from the Catalan Federation of Swimming.

In case that the participant do not count with all the compulsory material not included to the event, he/she will not be able to take part to it.

### Participants:

Any physical person of any nationality will be able to take part in the event. The minors of 18 years will have to contribute the open water swimming licence from the Catalan Federation of Swimming and their parents or tutor authorisation in the moment of the registration. No swimmer under age will be able to take part on the event without this authorisation signed and submitted to the organisation.

All the participants declare to be in necessary physical conditions to participate on the event and accept to take part under his responsibility. The organisation, taking into account the route, temperature of the water, currents...; recommend to the participants not to register if they are not sure if they are capable enough to complete the swim.

### Obligation to abandon the swim:

The organisation reserves the right to force to finalise the swim to any one of the participants to guarantee its security.

Below are shown some cases in those the members of the organisation will put end to the swim challenge, forcing the participants to get to a craft of support:

- Impairment of the marine conditions that put in danger to the participants of the event.
- Whenever a swimmer show signals of extreme fatigue, dehydration, hypothermia, rhythm extremely slow or any one other sign that prevent him/her to swim with normality.
- Swimmers that do not follow the security indications of the organisation, as well as swimmers that are for out of the limits of security delimited by the organisation.
- When the swimmer do the signal of help, raising one or two arms.

### Modification of the event:

In case of rough sea or other adverse phenomena (bank of jellyfishes, currents...) The organisation reserves the right to change the route of the crossing and choose one of the alternative tracks already selected. If it was not possible to carry out the race without putting in danger the security of the swimmers, the organisation reserves the right to change the

schedule of this or even cancel it.

**Personal data:**
